Sec. 7.07 Budget, appropriation and amount to be raised by taxation

On final adoption, the budget shall be in effect for the budget year. Final adoption of the budget by the city council shall constitute the official appropriations as proposed by expenditures for the current year and shall constitute the basis of official levy of the property tax as the amount of tax to be assessed and collected for the corresponding tax year. Estimated expenditures will in no case exceed proposed revenue plus cash on hand. Unused appropriations may be transferred to any item required for the same general purpose.

Sec. 7.08 Contingent appropriation

Provision shall be made in the annual budget and in the appropriation ordinance for a contingent appropriation in an amount not more than three percent of the total general fund expenditures, to be used in case of unforeseen items of expenditures. This contingent appropriation shall apply to current operating expenses and shall not include any reserve funds of the city. Such contingent appropriation shall be under the control of the city manager and distributed by him only after prior approval by the city council. Sec. 7.13 Lapse of appropriations

Every appropriation, except an appropriation for a capital expenditure, shall lapse at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure shall continue in force until the purpose for which it was made had been accomplished or abandoned. The purpose of any such appropriation shall be deemed abandoned if three years pass without any disbursement from or encumbrance of the appropriation. Any funds not expended, disbursed or encumbered shall be deemed excess funds.

However, if a majority of the voted polled shall be against the creation of such debt or refunding such bonds, the city council shall be without authority to issue the bonds. In all cases when the city council shall order an election for the issuance of bonds of the city, it shall at the same time submit the question of whether or not a tax shall be levied upon the property within the city for the purpose of paying the interest on the bonds and to create a sinking fund for their redemption.

(3) The city shall have the power to borrow money for the purpose of constructing, purchasing, improving, extending or repairing of public utilities, or any other self-liquidating municipal function not prohibited by the Constitution and the laws of the State of Texas. Such emergency shall be declared by the city manager and approved by the city council, or may be declared by the city council.

Sec. 7.16 Administration of budget

(1) No payment shall be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made, unless the city manager, or the city manager's designee, first certifies that there is a sufficient unencumbered balance in such allotment or appropriation and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable.

(2) Any authorization of payment or incurring of obligation in violation of the provisions of this Charter shall be void and any payment so made illegal. Such action shall be cause for removal of any officer who knowingly authorized or made such payment or incurred such payment or obligation, and the officer shall also be liable to the city for any amount so paid.

(3) This prohibition shall not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ordinance.

(4) The city manager shall submit to the city council each month a report covering the revenues and expenditures of the city in such form as requested by the city council.

The certified public accountant selected shall have no personal interest, directly or indirectly, in the financial affairs of the city or any of its officers. The report of audit, with the auditor's recommendations will be made to the city council. Upon completion of the audit, the summary shall be published immediately in the official newspaper of the city and copies of the audit placed on file in the office of the person performing the duties of city secretary, as a public record.

Taxes for each year shall be paid before February 1 of the next succeeding year, and all such taxes not paid prior to that date shall be deemed delinquent, and shall be subject to penalty and interest as the city council shall provide by ordinance. The city council may provide discounts for the payment of taxes prior to January 1 in amount not to exceed those established by the laws of the State of Texas.
- (2) Failure to levy and assess taxes through omission in preparing the appraisal rolls shall not relieve the person, firm or corporation so omitted from obligation to pay such current or past due taxes as shown to be payable by recheck of the rolls and receipts for the years in question, omitting penalty and interest.

Sec. 7.22 Tax liens, liabilities and suits

- (1) All taxable property located in the city on January 1 of each year shall stand charged from that date with a special lien in favor of the city for the taxes due. All persons purchasing any such property on or after January 1 in any year shall take the property subject to the liens provided above. In addition to the liens herein provided, on January 1 of any year, the owner of property subject to taxation by the city shall be personally liable for the taxes due for that year.
- (2) The city shall have the power to sue for and recover personal judgment for taxes without foreclosure, or to foreclose its lien or liens, or to recover both personal judgment and foreclosure. In any such suit where it appears that the description of any property in the city appraisal rolls is insufficient to identify such property, the city shall have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien or for personal judgment against the owners for such taxes.
